Notice is hereby given by the Division of Oil, Gas and Mining of its tentative decision to approve the Large Mining Operations Notice of Intention (Notice) for the Beck Street Quarry. Mining activities will affect the following area: Portions of the East 1/2 of the Southeast 1/4 of Section 11, Township 1 North, Range 1 West, SLBM, Davis County, Utah.

Lakeview Rock Products has filed a Notice to permit the existing large mining operations. Reclamation surety will be posted to assure reclamation of the 98 acres of disturbance on private land. The mine will extract the sand, gravel, and rock products using an open-face extraction leaving a series of benches ranging from 40 to 60 degree slope, providing that slope stability is demonstrated for steeper than the 45 degree slope. Some blasting may be necessary. Safety berms, signs, and fences will be placed around the highwall to prevent public access. After mining, benches will be seeded and the remainder of the disturbance graded and seeded. The complete Notice may be viewed at the Division's Public Information Center.

Any person or agency aggrieved by this tentative decision may file a written protest within thirty (30) days of the date of publication to Mary Ann Wright, Associate Director of Mining, Division of Oil, Gas and Mining, 1594 West North Temple, Suite 1210, Box 145801, Salt Lake City, Utah 84114-5801, setting forth factual reasons for the complaint.

DATED THIS day of July, 2006
